# Returns Policy

---

**RETURNS ARE NOT ACCEPTED UNLESS PRIOR AUTHORIZATION IS RECEIVED FROM THE RETURNS COORDINATOR.**

**OUR RECEIVING DEPARTMENT WILL NOT ACCEPT CARTONS THAT DO NOT CLEARLY NOTE A G&W ISSUED RA NUMBER.**

When more than one carton is used for a single RA number, each carton must be clearly noted with a box count (for example, 1 of 4).

---

The following information is required on the debit memo:

- A. Product NDC # and Quantity
- B. Lot Number and Expiration Date
- C. Reason for Return

Merchandise received in damaged or unsalable condition only as a result of damage in transit from G&W may be returned for full credit when G&W is notified within 15 days of receipt.

Private Label merchandise may not be returned for credit unless it is received in damaged or unsalable condition as a result of damage in transit and G&W is notified within 15 days of receipt.

Store level damages of G&W Label and Private Label merchandise are not accepted and will not receive credit.

**G&W label merchandise that is outdated will receive credit based on current net price or net acquisition price, whichever is lower, as long as merchandise is returned not more than 6 months after its expiration date.**

**G&W does not reimburse for Third Party processing fees, freight or handling charges associated with returned merchandise.**

Partial boxes and discontinued merchandise may not be returned for credit.

Products bought indirectly through a distributor or wholesaler should be returned to that distributor or wholesaler.

You may contact the Returns Coordinator at 800-922-1038 (phone), 908-753-5174 (fax) or via email at [Returns@gwlab.com](mailto>Returns@gwlab.com)
