Tanner's Preserve®

Leather Cleaner & Leather Conditioning Cream

Tanner's Preserve Leather Cleaner & Leather Conditioner are recommended by **Eagle Ottawa**, the leading leather supplier to the U.S. auto industry. **Eagle Ottawa** has been making leather since 1865, so they know how to take care of it. They evaluated and tested both of these products in their laboratories during development to ensure best performance for their validation. That's why they recommend Tanner's Preserve.

Tanner's Preserve Leather Cleaner, a specially formulated cleaner, is the safe, easy way to clean your car's leather interior. It is made without harsh chemicals or ingredients that could harm the leather finish.

Tanner's Preserve Leather Conditioning Cream was formulated to put back what time and exposure take out of leather. This easy-to-use cream contains emollients which help restore leather surfaces to a supple, rich luster and keeps these surfaces in a rich, like-new condition. Also, great for use on furniture, clothing, and accessories.
