### 2. Receive, Consolidate and Inventory Goods at the Warehouse

As an option, we will receive your furniture at the warehouse. Our warehouse team is always on-hand to inspect and verify that the correct items have been received and have arrived damage-free.

### 3. Containerizing, Export Packaging and Overseas Shipping

Nova will load, export package, ocean ship and document the shipment for you upon request.

### 4. Customs Clearance, Delivery, Staging and Install

When the shipment is received at the host country, we will clear it through customs and arrange for delivery to the site. Nova's Project Managers supervise local crews who unpack, stage and install the furniture. As another option, we offer to perform a special security inspection on all furniture.

**Nova will also provide you with Interior Design, Space Planning, Procurement, Specification and more upon request.**  
**For all your Furniture Management and Installation Service Needs, Contact Nova International.**
