AST/Acme Coatings and Linings

- Dispersion Coating Applications
- Military Coating Work
- Powder Coating
- Sheet Lining

Dispersion Coating

- 7 Paint Booths
- Largest is:
55' by 18' by 16'
- 48,000 CFM Filtration
- 140° Curing

Large Part Dispersion Coating

- Caterpillar large front end loader.
- Coated in our large paint booth.
- Large immobile parts handle by crane

Fan Coating

- Fans Disassembled
- Fans Coated
- Fans Balanced
- Service Available on Site

Coated Fan Components

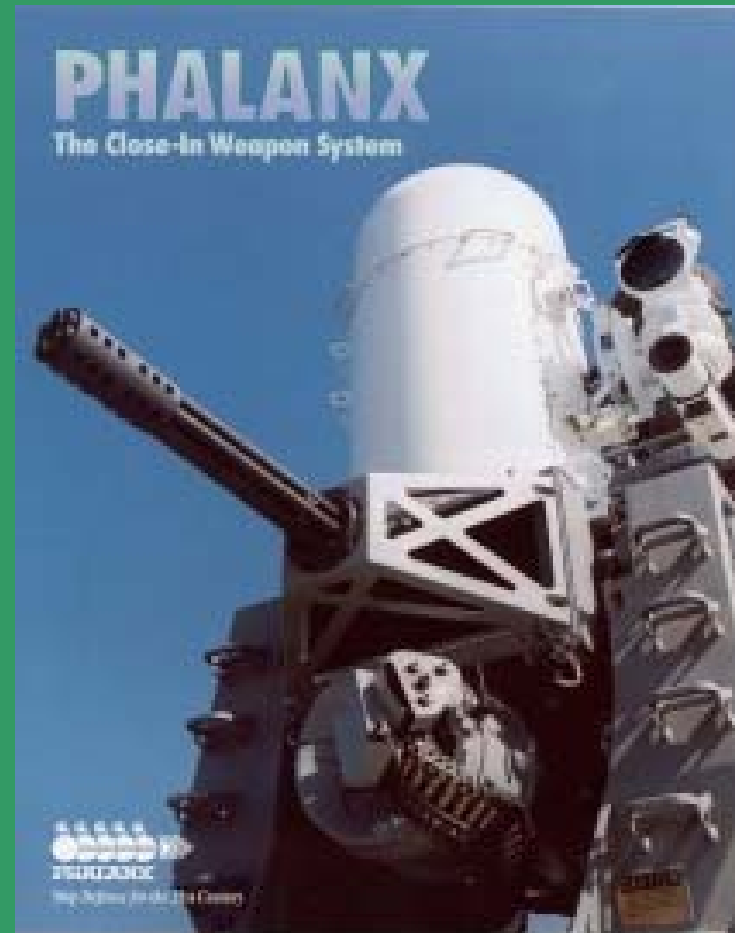

- Fan Blade Coated with Halar® Powder

Halar is a registered trademark of Ausimont

Military Coating

- Phalanx Close in Weapon System

Military Coating Work

- Raytheon Phalanx Close In Weapons System (CIWS)
- Complete Turnkey Services Including Machining, Parts Cleaning and Final Coating

Military Coating Work

- Phalanx RSA

Military Coating Work

- Dry Film Lube
- Raytheon Phalanx
- Detailed Parts

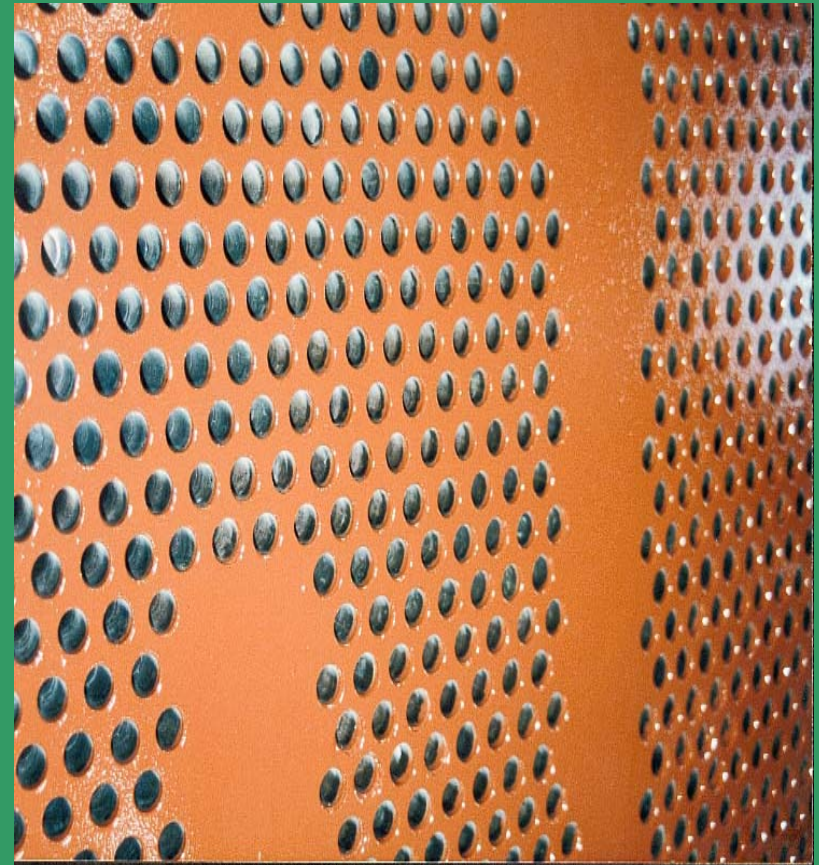

Military Coating Work

- Naval Surface Warfare Center Crane Division
- Radar System
- Dispersion Mil Spec Coating

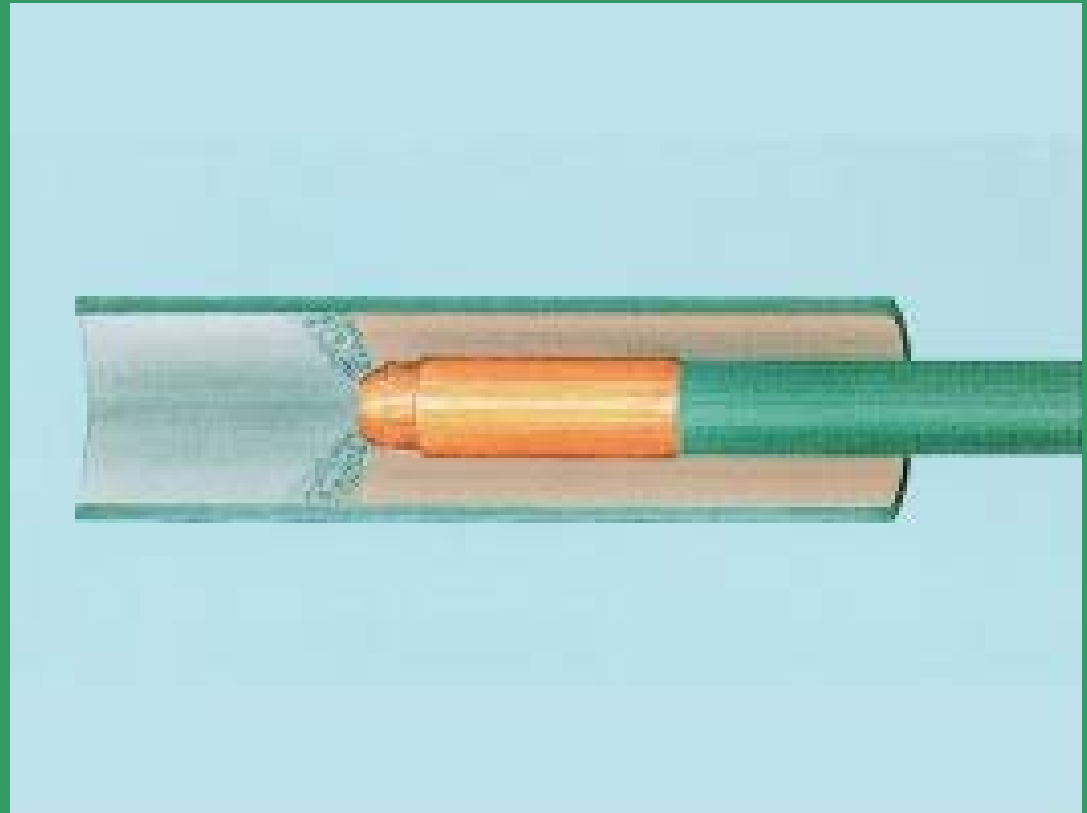

Heat Exchanger Coatings

- Condenser Tube Sheet

Heat Exchanger Coating

- Tube Lining

Powder Coating

- Oven Capable of Baking Large Parts at High Temperatures 800° F
- Part sizes up to 10.5' x 10.5' x 22'
- All Types of Powder Coating Available including Polyester, Urethane, Kynar®, Halar, TEFZEL® Brand Coatings and TEFLON® Brand Coatings

Kynar is a registered trademark of Auto Fina
TEFZEL ® and TEFLON ® Brand Coatings are registered trademarks of E.I
.DuPont de Nemours and is used under license to the AST Company

Railroad Line Building

- Rail Switch Housing
- Powder Coated TGIC Powder

Release Coat

Large E-Coat Rack

- TEFLON Brand Coatings PFA Coated Rack for Large Ford E-Coat Parts (21'x9'x9')
- Release System Sheds Paint and Avoids Rack Burning
- Easily Cleaned with 1,500 psi Water.

Release Coat Small E-Coat Rack

- Parts Hangers for Appliance Parts
- Clean with 1500 PSI Water Blast

Vent

- TEFZEL Brand Coatings® Coated Vent

TEFZEL Brand Coatings is a registered trademark of DuPont

Centrifuge Basket Halar

- Halar Powder Coated Centrifuge Basket
- Excellent Chemical Resistance and Abrasion Resistance
- Arch Chemical

Fluoropolymer Sheet Lining

- MFA Lining of Square Tank
- Initial Stages

Column Repair

- Kynar Sheet

Column Repair

- Kynar Patch Area

Kynar Lined Tank

- Ready for Shipment

Tank Truck Lining and Coating

- Rubber Lining
- Fluoropolymer Sheet Lining
- Exterior Coating

Tank Truck Rubber Lining

- Blended ChloroButyl Rubber Lined Tanker

Rubber Lined Agitator

- Agitator Lined with Soft Natural Rubber

AST/Acme Coatings and Linings

Priorities in Order

- Safety
- Housekeeping
- Quality
- Productivity
