FENG SHUI FOR PEACEFUL PROSPERITY

521 South Paula Drive • Dunedin, FL 34698

## What is Feng Shui?

Feng Shui is the ancient Chinese art of the power of placement.

## What is Bau-biologie?

Bau-biology is the study of the impact of a building's environment upon the health of people who live and work within it.

## How Can You Benefit?

Carol can help you to:

- Discover how negative ch'i could be harming your business or home life
- Neutralize negative ch'i to breathe new life into your business
- Create a healthy environment for your employees and family members
- Clear your workplace of harmful electrical radiations
- Vitalize each area of your work and home life

## What Are The Results?

The goal of Feng Shui and Bau-biology is to create harmony with your surroundings and nature. This encourages a positive flow of energy, creates healthier and more productive environments, and results in a peaceful path to prosperity.
