OUNTING ET OD

- Bosses & Studs (BS) This method is recommended for concealed mounting to brick or masonry
- Rosettes, Machine Screws - For metal or masonry.
- Expansion Sleeves (RM) Work well with brick, stone or masonry, Each metal expansion sleeve has a threaded interior to house a machine screw.
- Rosettes & Toggle Bolts (RT) Toggle bolts work well with hollow tile, cement block or drywall surfaces.
- Wood Screws (WS) Use for mounting plaques to wood or plaster surfaces.

Optional mounting methods are available at additional cost

ART ORK LETTERST LES

We can reproduce any typeface or logo art that you supply or you may choose from the different letterstyles below. Artwork must be camera-ready and must be supplied on a disk or by email as a vector file. Artwork requiring any touch-up or modification will be charged separately. FPP can also recreate a logo or artwork for an additional charge.
