DETAILS

EXPERIENCED STAFFING PROFESSIONALS CORESTAFF's highly trained, experienced staffing professionals ask the right questions, then use their in-depth knowledge of the local market and CORESTAFF's tremendous resources to quickly find the answer that works for you.

HIGH CALIBER ASSOCIATES
Our national network of offices and on-site locations employ state-of-the-industry recruiting, screening, training and retention practices. Add to that our national, just-in-time candidate database that includes certification and qualification information so we can provide you with workers you can rely on.

SCREENING & MATCHING
CORESTAFF associates undergo one-on-one personal interviews, written evaluations by trained staffing specialists, reference checks, orientation and, if needed, certified training in the software skills the job requires. Associate records are entered into our electronic database, along with your client profile, and matched to your company, culture and job description.

SKILLS TRAINING CORESTAFF offers associates COREskillsSM, our technology-based training program

which covers the most popular software in use today. Associates are certified upon an 80% success rate. In addition, they are educated about the high levels of client service, productivity and reliability we expect.

CORECARE CORESTAFF's COREcareSM package provides associates with medical and dental coverage, life insurance, short-term disability coverage, 401(k) retirement plans, credit union membership and more. As a result of offering these benefits, CORESTAFF can attract superior professionals who provide higher productivity and are less likely to be absent from the job or leave the position.

FLEXIBILITY CORESTAFF gives you the option of retaining our associates either through our immediate hire or our temp-to-hire programs.

COST EFFICIENCY CORESTAFF takes the guesswork out of managing your contingent workforce expenditures. You pay only for the skills you need and service tenure as your project dictates.
