CERTIFIED DISABLED VETERANS BUSINESS ENTERPRISE (DVBE)  
 CERTIFIED SMALL BUSINESS ENTERPRISE (SBE)  
 CMAS APPROVED VENDOR

## Project Highlights

- e High-image eight building business park
- e Bay sizes down to 2500 s.f. or greater
- e Greater Sacramento's premier mixed use business center
- e Excellent access to I-80 and I-5
- e Multiple broadband fiber optic carriers
- e High density electrical power
- e Dock and grade level loading doors
- e 100% office build-out available
- e Skylights
- e Parking 3:1000

## BUSINESS RECOVERY CENTER (BRC)

- e Local/regional access – Centrally located
- e Multipurpose use facility
- e Available 24/7
- e Dedicated or shared
- e Expandable to meet variable needs
- e Turn key environment
- e Secure at all times
- e Can support multiple users to reduce cost

## EMERGENCY OPERATIONS CENTER (ERC)

- e Secured remote backup NOC (cold or hot)
- e Full 24/7 bandwidth capability with assured redundancy
- e 24/7 security in a hardened site
- e Secured equipment footprint if required
- e Turn key environment
- e Onsite Meeting & Planning capability
- e Dedicated power supply and grid
- e Full array of connectivity options
- e On site support services available
- e Mission critical data center next door

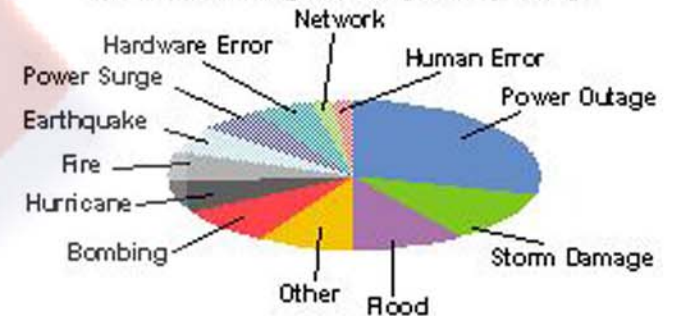

## TECHNICAL RECOVERY CENTER (TRC)

- e Integration Consulting Services On Site
- e SQL Server Recovery Tools
- e On site Testing and Support
- e Quality Assurance
- e Automated Tools
- e Comprehensive Array of Options and Services

## SOLUTION ADVANTAGES

- e BRC/EOC/TRC leased not owned
- e Multipurpose usage during non-event times
- e Reduced operational costs
- e Ready to use – turn key environment
- e Ease of access not dependent on air travel
- e Activation in 30 minutes or less
- e Expandable
- e Access to hardened secured NOC, connectivity and multiple bandwidth carriers
- e Reduced testing costs
- e Assured infrastructure availability
- e Always state of the art support technology
- e Reduced cost of "ownership"
- e Improved ROI (Return on Investment)
- e No construction costs
- e Co-location services

## Disaster Categories by Frequency
