A large blue graphic with a white dotted line running vertically through the center. Several small inset images are placed along the line, representing various technologies: a computer mouse, a circuit board, a US dollar bill, a CD-ROM, and a computer monitor.

**PUSHING PAPER ISN'T
WHAT IT USED TO BE**

Imagine document management made simple and to your company's specific needs.

CopyTech Business Solutions provides just that. We design innovative solutions that meet your requirements for today and tomorrow with long-term growth in mind. Our customizable and upgradable business solutions fulfill our clients' needs now and for years to come providing maximum return on their investment.

CopyTech Business Solutions is not a manufacturer, so our staff has the unique flexibility to determine the best quality business hardware and software to meet your company's objectives. We only partner with select manufacturers with established reputations of quality and innovation. This ensures our clients receive state-of-the-art technology and the best reliability. To further cater to our clients' needs, our imaging systems can be customized with as many or as few features as you require and our inventory of supplies is virtually unlimited.

Client Service

Surpassing clients' expectations is our goal every day. CopyTech's experienced account managers are knowledgeable in both business equipment and today's ever-changing technology. Our team will examine your objectives and provide innovative and versatile solutions that will accommodate your workload and positively affect your bottom line.

Service Advantage Program

All CopyTech's clients receive the benefit of our Service Advantage Program. This program takes service a step further by recognizing that service is an

essential part of customer satisfaction. Service Advantage guarantees our clients will receive a service appointment confirmation within minutes during regular office hours. Service

Advantage ensures an experienced service technician will be to you within 24 hours or less of your confirmation. CopyTech is the only company in the industry that offers such responsive service.

CopyTech's Supply Store

No matter where you purchased your equipment, CopyTech's Supply Store is your one-stop shop for all your business equipment supplies. The Supply Store stocks parts for almost every make and model at very competitive prices. In fact, we'll beat any advertised price on supplies. Availability is always confirmed in minutes and same-day service is available.

Facilities Management

CopyTech Business Solutions can increase our clients' productivity by streamlining data and document management systems to improve operations. We analyze your data, procedures and objectives in order to implement a comprehensive and cost-effective solution. The solution often combines software, hardware and support personnel that deliver an exceptional return on your investment.
