

The Federal Assembly was
COMPANY founded 1988 to bring

competitive assembly back to the United States. We perform many types of labor-intensive tasks, that have commonly been sent to Mexico or overseas. Our plants are strategically located in the Midwest with delivery service to Louisville, Indianapolis, St. Louis, Evansville, and Nashville.

The Federal Assembly offers
BENEFITS many advantages that will

help your business meet the changing demands of the global market place.

Lower Cost — Federal Assembly provides extremely competitive pricing due to our low overhead structure.

Location — Our Tri-State locations provide local businesses with:

⇒ Just in Time Delivery — Federal Assembly eliminates waiting weeks or months for parts to arrive.

⇒ Low Transportation Costs — We can provide daily shipments that help keep your inventory under control.

⇒ Immediate responsiveness and personal attention — Our team is just a phone call away.

Superior Quality — Federal Assembly provides fine ready parts per your quality requirements.

Skilled Labor — Experienced in the automotive, consumer product, electromechanical, electronic, plastic and rubber industries.

Whether your
