## COVERMASTER® MASTER SERIES™

### ULTIMA 5000™

*A heavy duty, extra thick, slip resistant cover*

#### 10 YEAR WARRANTY

For the ultimate in protection, COVERMASTER® offers the ULTIMA 5000™. It's our thickest, most durable cover with a slip resistant surface. This superior model provides incomparable protection against possible damage from high heels, chairs, table legs and other abrasive items.

#### STANDARD DUAL COLOR COMBINATION

Neutrino on one side, royal blue on the other

### UNIVERSAL Plus™

*A heavyweight cover for all applications*

#### 8 YEAR WARRANTY

This cover will guard against the rigors of heavy traffic events. Tables, chairs, even stage & sound set-ups are a matter of course. The brown side is ideal for dances and rock concerts, while the tan side is best for graduations and commencements when decor is more important.

#### STANDARD DUAL COLOR COMBINATION

Brown on one side, tan on the other

# GYM FLOOR COVERS

## CLASSIC 2000™

*A medium weight cover  
in a single color*

**5 YEAR WARRANTY**

This gym floor cover combines strength with real economy. Yet, it's tough enough and durable enough to be used with tables and chairs at most non-athletic events. The CLASSIC 2000™ can be used either side up and with average use, provides excellent protection.

## SPARTAN 1000™

*A lightweight cover  
in a single color*

**3 YEAR WARRANTY**

Intended for more infrequent use, the SPARTAN 1000™ gym floor cover provides protection at a very affordable price. The cover is great for assemblies, dances, banquets and presentations, and can be used with either side up.

# Gym Floor Protection Made Easy...

## Easy to install...

with the **patented COVERMATE™**

With COVERMATE™, two people can install or remove a gym floor cover in less than thirty minutes. Just place it at one end of the gym and walk each cover section over to the other end.

———— **10 year warranty** ————

COVERMATE™ lets two people install a standard size cover in 30 minutes or less.

## Easy to remove... with POWERMATE™

To store the cover, attach each cover section to its roller and wind it back up with two standard handcranks. Or get the optional POWERMATE™, a heavy duty power winder with as much as 270 ft-lb of torque that handles the largest and heaviest of gym floor covers. It makes an easy job even easier!

———— **Lifetime warranty** ————

POWERMATE™ easily winds up the longest of covers sections.

## Easy to sweep... with COVERCLEAN™

With COVERMATE™ locked in place, just slide each cover section through the optional COVERCLEAN™ dual brush assembly before attaching it to its roller. While you wind up the cover, dirt and debris are removed from both sides of the cover.

COVERCLEAN™ sweeps the cover on both sides as you wind it up.

## Easy to store... with COVERMATE™

With the cover sections back on the COVERMATE™ system, all that's left to do is move it back to your storage area. And yes, COVERMATE™ will fit through standard single width doors.

COVERMATE™ fits through standard size storage room doors.

COVERMATE™ IS AVAILABLE IN 6, 8 OR 10 ROLLER MODELS  
OR IN CUSTOM CONFIGURATIONS OR MEASUREMENTS
