ACCPAC®

End-to-End Business Management Applications

Look to **ACCPAC®** for fully integrated business management applications that deliver high performance, advanced functionality, cross-product integration and unmatched freedom of choice. **ACCPAC®** delivers the solutions that work best for you today, with the ability to upgrade and modify your system as your agency expands in the future – which means an investment in **ACCPAC®** is an investment that stands the test of time.

- Customer Relationship Management (CRM)
- Accounting and Operations
- Warehouse Management
- Human Resource Management

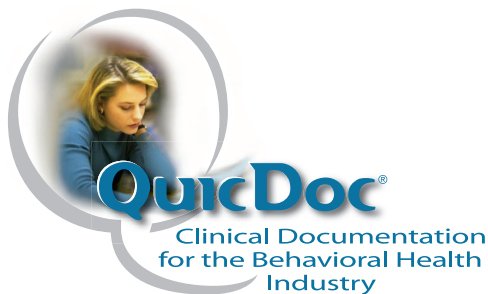

Tenrox® Optimizes your Operational Processes

Tenrox provides 100% web-based solutions that automate project and service delivery, including:

- PSA (Professional Services Automation)
- Time & Expense for Projects
- Timesheet for Payroll
- Projects Costing

Tenrox provides one timesheet system across your enterprise. And Tenrox is fully integrated with Microsoft Project, using one database across both applications.

QuicDoc documents patient care, evaluates therapeutic progress and outcomes, and assesses the quality of care you give. **QuicDoc** prompts you for the information you need. And **QuicDoc** is easy to use and easy to install. QuicDoc can streamline patient care for a small clinic or large hospital. **QuicDoc** features include:

- **QuicDoc Scheduler** for patient and staff scheduling
- **QuicForms** for treatment plan (OTR) forms
- Lexi-Comp® Drug Reference Library
- A variety of notes, treatment plans and assessments
