

Mega Power

Bi-phase cleaner
and degreaser

This is a highly concentrated, extremely powerful grease fighter that will quickly clean the toughest grime. **MEGA POWER** is effective on grease, carbon, grime, oil, soap scum, soot, etc. Different dilution ratios allow this product to be a very versatile cleaner, and it may be used anywhere water is safe to use. The formula for this product is USDA approved, non-flammable, non-toxic, non-corrosive and *entirely* biodegradable. If you need it cleaned, this is the product of choice. This butyl based cleaner is safe for use on protective rubber gear used by utility companies. **MEGA POWER** actually turns grease and oil into a biodegradable soap through saponification. This non-polluting formula makes it the only choice for environmentally conscious situations where safety is also an issue.

Directions: Dilute **MEGA POWER** according to the project at hand. Reduce scrubbing time by using **MEGA POWER** for all of your cleaning needs. Can be used with Omega's mixing station for convenient pre-measured solutions.

Areas of Use:

- *apartment complexes
- *oil refineries
- *manufacturing plants
- *printing industry
- *schools
- *municipalities
- *warehouses
