A Single Source For Oil Spill Products

Because oil spills differ, many products have been developed for the differing conditions. At CRUCIAL, we bring these products together. So, no matter what oil spill you encounter, our experienced staff can supply both the product and the expertise which best suits your needs. Count on CRUCIAL as your single source for proven equipment.

CRUCIAL's range of mop skimmers are sized for a variety of spill requirements. Skimmers can be trailer mounted (below) or designed for vertical applications (right).

CRUCIAL's ORD disc skimmers are manufactured in a variety of sizes.

Mid-sized wringers with pulley system and oleophilic rope mop.
