# Overview

Triangle MedStaff is a medical staffing company specializing in recruiting the top medical talent for temporary, permanent, and PRN employment. We are built on the foundation that people, whether clients or employees, deserve the best and receive the best.

## MISSION

**Triangle MedStaff's mission is to provide a complete range of highly qualified medical professionals to the healthcare industry.**

## WHY TRIANGLE MEDSTAFF?

Triangle MedStaff is dedicated to having a skilled team of professionals committed to providing exceptional customer service and employee satisfaction that will be unmatched. **What sets us apart is our approach, expertise, responsiveness and industry depth, all designed to address your requirements.**

To ensure our clients' protection and satisfaction, all of our employees are pre-screened prior to an assignment. This includes: criminal background checks, employment verification,

credentialing (license, CPR, TB, Hep. B), drug screening, and aptitude and skills tests.

In order to recruit and retain the most highly trained and talented professionals in the healthcare industry, we continuously strive to maintain a competitive benefits package. These benefits include: paid health, dental, and vision coverage, disability insurance, life insurance, sign-on bonuses, referral bonuses, weekly pay, direct deposit, and many other employee perks.

We have been successful in serving our clients and employees by establishing and cultivating lasting relationships. **The real distinction in our services is not what we do, but how we do it.**
