## and Polypropylene Sorbents

## UNIVERSAL ABSORBENTS

**XSORB Universal** makes it easy to simply sweep spills away, leaving surfaces clean and dry. Sizes: 2 cu. ft. bag, 4 gal. pail, 6 qt. bottle, 2 liter bag, 25 lb. carton.

**XSORB Outdoor** all-purpose particulate is a heavier formula for use even in light windy conditions. Sizes: 25 lb. bag, 6 qt. bottle, 2 liter bag.

**XSORB Xtreme** for use in frigid environments and freezers. 2 cu. ft. bag or 6 qt. bottle

**XSORB II Super Absorbent** is ultra absorbent for special uses. Sizes: 2 cu. ft. bag, 6 qt. bottle and 2 liter bag.

**XSORB Universal Hazmat Socks** contain spills at their perimeter and block spills from sensitive areas such as drains or walkways. Available in 3" x 48", 3" x 120", and 5" x 120" sizes. Yellow.

**Polypropylene All-purpose Socks** are economical and durable. Meltblown in 4' and 8' lengths. Gray.

**XSORB Universal Pillows** for quick and easy spill response. Great for placing around leaky pipes, barrels, or machinery. Available in 8"x 18", 18"x 24", 36" x 36" sizes. Gray.

**All Purpose Pads** in meltblown style handle all your spills. Sized 17"x19" in single wt (200/bale) and double wt (100/bale). Gray.

**Hazmat Pads** handle caustic chemicals. Dimpled and perforated. 17"x19" (100/bale) Yellow.

**GREASE POLICE Absorbent Mats** protect garage and work area floors, workbenches and entries. One mat, 36" x 36". Gray.

**Polypropylene Industrial Rug** in meltblown style handles all your drips and spills. 36" x 150 ft. Gray.

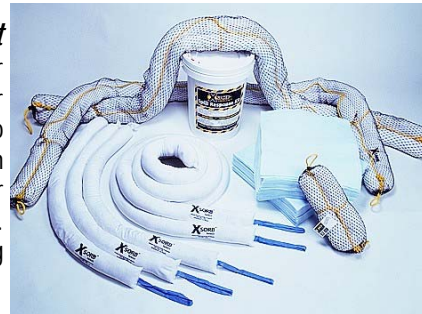

**XSORB Spill Kits** with a variety of supplies for quick response to spills in work areas and transportation. Economy Spill Kit in re-closing bag, 18" x 24". Spill Kits in UN approved drums in 6.5, 20, 30, 55 and 95 gal. sizes and in mobile units. Refills available.

**XSORB Floor Sweep** removes dirt, dust and moisture from floors. Large 55 lb. Bag.

Form No: ProductLine.pub

## OIL-ONLY ABSORBENTS

**XSORB Oil-Select** lightweight granular material repels water while absorbing up to 500% its own weight in oil and all other petroleum-based liquids. Sizes: 1.75 cu.ft. bag and 6 qt. bottle.

**XSORB Select Socks** absorb oil or petroleum-based spills from the water's surface. Stay floating even when fully saturated. These socks can be linked together. Available in 3" x 48", 3" x 120", and 5" x 120" sizes.

**XSORB Netted Booms** are perfect for absorbing oil and related products from the water's surface. These booms include ropes and hooks for linking over large areas, are netted for extra strength, and are UV protected against rapid deterioration. Sizes: 5"x120" and 8"x120".

**Poly Socks and Booms** are economic, durable, and reusable. Meltblown Socks 3" x 4 ft. and 3" x 10 ft. White. Meltblown booms in 5" x 10 ft. and 8" x 10 ft. White.

**XSORB Select Pillows** absorb oil but repel water. Use in parts washing tanks and around drains. Sizes: 8"x18", 18"x 24". White.

**Bilge Boom** (6" x 15") for absorbing oil from the boat bilge.

**Absorbent Pads** handle oil and petroleum spills in various situations. Will float on water while absorbing spilled oils. Will absorb up to 32 oz. Available in meltblown in 17"x19" sizes in single weight (200/bale), double weight (100/bale) and 36"x36" double weight (50/bale). White.

**Petroleum Absorbent Rolls** can be used on water or shore to absorb petroleum based spills. Repel water. 36" x 150 ft. and 38" x 144 ft. in meltblown. White.

**Drum Covers** with 22" diameter, 25/pack. Universal or oil only.

**XSORB Select Spill Kits** for marine spills. Economy Kit in 18"x24" Bag. Spill Kits in U.N. Approved Drums in 6.5 gal., 30 gal., and 55 gal. sizes. Refills available.

## ACID NEUTRALIZING ABSORBENT

Absorbs and neutralizes acids. In 2 cu. ft. Bag, 2.2 cu. ft. Carton, 6 qt. Bottle, or 2 qt. Bag. Acid Spill Kits in UN approved drums and mobile units.

## BIOHAZARD CLEAN UP KITS

Provide clean up supplies, protective apparel for the user, disposal supplies and complete instructions. Many styles available.
