we are committed to ...

Learning the Word

...recognizing that the Bible is God's perfect, inerrant Word, accurate and authoritative in every issue of life.

...realizing that the Scriptures are logical, accessible, and understandable as the intentional message of a loving God to His needful children.

...reasoning through the Text using a grammatical, historical, and literal method of interpretation, applied through careful study and academic excellence

Teaching the Truth

...developing the skills of effectively communicating what we are learning from the Word of God.

...devoting a portion of our time each week to active involvement in a local church or parachurch ministry.

...dedicating our lives to an ongoing lifestyle of evangelism and discipleship, no matter what our lifelong career or calling.

Reaching the World

...equipping our graduates with skills necessary for effective ministry in their chosen field.

...evangelizing the lost through ongoing partnership with alumni, partner organizations, churches and others with a kindred commitment to proclaiming the free-grace gospel of Jesus Christ.

...encouraging the body of Christ through conference speaking.
