History

Southern California Insulation Inc. , also known as SCI within the Marine Repair Industry. We are located within a 9000 sq. ft. office-warehouse facility. SCI has been in business since October 1, 1997.

We are a young, aggressive company and yet we bring over 150 years of experience to the plate with our management and supervisory staff.

Qualifications

At SCI, we take pride in providing our customers with a quality product, realizing that the intent of insulation is to insulate, however, in many cases our final product is what will be visible for years to come.

PCMS Tile Certified.

SCI strives to work within the ever-changing regulatory arena and has an Occupational and Environmental Management Program of which is overseen by a State Registered Environmental Compliance Specialist.

We also have our own Quality Assurance Program of which helps assure a quality product.

Approved by The Port of San Diego Ship Repair Association.

Past Performance

SCI has performed work onboard many Military Vessels as a subcontractor for many of the MSR & ABR contractors on the waterfront including; Southwest Marine, NASSCO, Pacific Ship Repair, Continental Maritime, Pacific Defense, Cem Corp, PCE, Miller Marine, Davis Boat, Tecnico, to name a few.

We have supported large aggressive overhauls as well as small emergent projects. No job is too large or too small.

SCI looks forward to doing business with your company as well.

Credit Card Payments Accepted.
