

# INTEC Controls provides...

Compatible quality controls, peripherals and interface devices to the HVAC Controls, Energy Management and Building Automation markets.

<b>Temperature</b>	<b>Sensors:</b> Thermistors, Nickel, Semiconductors, RTD's <b>Transmitters:</b> Analog Signals <b>Displays:</b> Analog, LCD <b>Thermostats:</b> Contact Outputs <b>Zone Controllers:</b> Relay & Analog Outputs
--------------------	---

<b>Humidity</b>	<b>Transmitters:</b> Analog Signals <b>Humidistats:</b> Contact Outputs
-----------------	--

<b>Pressure</b>	<b>Transducers:</b> Analog Signals <b>Switches:</b> Contact Outputs
-----------------	--

<b>Flow</b>	<b>Sensors:</b> Flow Pressure <b>Transmitters:</b> Analog & Pulse Signals <b>Meters:</b> Analog, Digital & Pulse Signals <b>Switches:</b> Contact Outputs
-------------	--

<b>Power Monitoring</b>	<b>Transducers:</b> Analog Signals <b>Switches:</b> Solid State Switching <b>Transformers:</b> Current <b>KW/KWH Transducers:</b> Contact, Analog & Digital Signals
-------------------------	--

<b>Specialty</b>	<b>... Light Level ... Smoke ... Occupancy ...</b> <b>Transmitters:</b> Analog Signals <b>Detectors:</b> Relay Outputs <b>Alarm Displays:</b> Status / Test LED's, Horns, Strobes <b>Controllers:</b> Relay & Analog Outputs
------------------	--

# INTEC Controls provides...

Compatible quality controls, peripherals and interface devices to the HVAC Controls, Energy Management and Building Automation markets.

<b>Damper Actuators</b>	<b>Direct Coupled Actuators:</b> Two-Position & Modulating Control, Spring Return, Fail-safe
<b>Valves</b>	<b>Globe Valves:</b> Two-Position & Modulating Control, <b>Zone Valves:</b> Spring Return, Fail-safe
<b>Butterfly Valves</b>	<b>Butterfly Valves:</b> Two-Position & Electric & Pneumatic Modulating Control, Spring Return, Fail-safe
<b>Interfaces</b>	<b>Stage Relay Outputs:</b> Analog Input <b>Output Transducers:</b> Analog, PWM, Resistance, Phase-Cut, Pneumatic <b>Control Relays:</b> Voltage, Time Delay <b>Transformers:</b> Step-down, Isolation <b>Power Supplies:</b> DC Regulated
<b>Pneumatic</b>	<b>Actuators:</b> Push-Pull <b>Valves:</b> Zone & Primary <b>Zone Controllers:</b> Room Stats. VAV
<b>Gas Detection</b>  ... VOC's ... CO <sub>2</sub> ... ... CO ... NO <sub>2</sub> ... O <sub>2</sub> ... ... Ammonia ... ... Refrigerant ... ... Propane ... ... Hydrogen ... ... Methane ... ... and more ...	<b>Transmitters:</b> Analog & Digital Signals, Relay Outputs <b>Controllers:</b> Relay & Analog Outputs, BAS Interfaces <b>Systems:</b> Analog & Digital <b>Alarm Displays:</b> Horns, Strobes, Lights <b>Calibration Tools:</b> Regulators, Adaptors, Gas Bottles <b>Breathing Apparatus:</b> Self-Contained
