Day/Night Video Camera

Our exclusive Day/Night Video Camera uses a Military 3rd Gen Night Vision Tube from ITT. During daylight hours the camera produces high resolution color images, then switches automatically to "Night Vision" mode at night. If a bright light source is observed within the field of view, the camera switches back to day mode in order to protect the 3rd Gen Tube. No other system offers nighttime video recording like this. No need for "IR Lights" that only produce a picture at 20 feet. With our Night Vision camera, images at over 20 miles can be observed. We truly give you "Nighttime Recording".

Specs:

- Day camera mode: Color
- Night camera mode: Black & white
- Photosensitivity: 1600uA/Lm
- .00001 Lux
- Field of view: 48 degree
- 7.25" x 2.25" x 2.5"
- Operational at -20° to 50° C
- Tube gain: 50,000
- Tube resolution: 56-64 lp/mm
- Signal to noise: 16:1

18 Hour Real-Time Recorder

[Item# **SRV-18H**]

ONLY

\$ 375.00

Features:

- * Power: Car Battery / **DC-12V**
- * 3 Types of Recording Modes
- * Audio: **Stereo**
- * Repeat Recording
- * Recoding Time per Tape:
 - T-120: 2hr, 6hr, 18hr
 - T-160: 2hr40min, 8hr, **24hr**
- * Format: VHS 1/2"
- * Signal System: Standard NTSC
- * Video Head: DA 4 Rotary Head
- * Audio Head: Linear 1 Stationary
- * Control Head: 1 Stationary
- * Video Input: 1.0Vp-p, 75ohm, BNC
- * Video Output: 1.0Vp-p, 75ohm, BNC
- * Horizontal Resolution: 240TVL (2hr)
- * Audio Input: -8dbm, RCA
- * Audio Output: -8dbm, RCA
- * Audio Freq. Response: 100-10K Khz
- * Power Consumption: 12V
- * Dimensions: 265w x 94h x 200d (mm)
- * Weight: 2.4kg
