

Attn: Federal, State, and Local Government Purchasing Agents

We Manage, Maintain & Monitor your Magazines

Intel, NBC, Panasonic, Barnes & Noble and others rely on MagMall.com for their corporate subscription needs. Whether it is filling up a reception area or a waiting room, giving medical offices magazines which match their specialties, or creating exciting magazine subscription giveaways and fund raisers, here are four guaranteed benefits that describe why top companies like these use MagMall.com.

We Provide Personal Service

Order any quantity of subscriptions and receive the highest level of courteous and efficient service that has made us a favorite source for America's leading corporations.

We Negotiate Unbeatable Prices

MagMall has negotiated unbeatable prices for our corporate clients. Call or email us today and let us help you start saving on your company's magazine subscriptions.

We Make Ordering Fast and Easy

You will save time with:

- **Secure online ordering**
- **Order by fax**
- **Order by phone**
- **Order by mail**

All It Takes Is One-Stop

You can benefit immediately from these great services:

- **Global address and name changes for all of your subscriptions**
- **Cancellations and refunds**
- **Early Confirmation of expiration dates**
- **Customized corporate billing** centralizes subscription payments, reducing the amount of paperwork and time invested in paying separately for every periodical.
- **EZ Renewal program** enables you to conveniently renew multiple subscriptions at one time and on one form. In addition, subscribers can renew up to 9 months in advance, which enables you to lock in current lower rates.
- **Online account management** enables you to access all of your account information, securely and at your convenience.

Best regards,

Alan Kleinman
