

WHYAMIGO®?

Industry Leader with Proven Products • Preferred 2 to 1

- Amigo introduced the electric power operated vehicle in 1968
- Amigo introduced the electric shopping cart in 1970
- Preferred choice of retail customers (based on side-by-side comparison with major competitors at a major retail chain)
- Proudly made in America

Quality and Durability • Built to take daily retail abuse

- All steel platforms and frames
- Heavy-duty commercial seat – virtually indestructible and backed by longest warranty in the industry
- Maintenance-free sealed transaxle drive systems*
- Steel surround bumper protects cart and store fixtures
- Overcharge protection – batteries cannot be overcharged
- Load tested to over 1200 lbs.

Safety • We invest in protecting you, your stores and your customers

- Automatic parking brake*
- Dynamic and regenerative braking
- Safety seat activation switch**
- Ergonomically designed handle with protected throttle
- Programmable speed control for forward and reverse operation
- Vehicle will only start in neutral; it cannot start while in forward or reverse
- Low battery protection prevents permanent damage to the batteries

Lower Cost of Ownership • Saves you dollars

- Self-diagnosing controller eliminates most diagnostic labor
- National toll-free service line
- Component style parts – simple design with pop-out/pop-in replacement
- Customer Service Kits for quick and simple onsite repair
- Extended warranty reduces replacement costs and cost of ownership
- SmartCharge™ reduces battery abuse

SmartCharge™ • Another Amigo innovation

- The only stand-alone charging station on the market
- Eliminates tangled or misplaced cords and broken cord reels
- Eliminates battery performance issues due to lack of charging
- Prolongs battery life
- Patent pending

Product Guarantees • Amigo stands behind its products

- Lifetime warranty on platform and seat post

* Available on SmartShopper and PowerShopper models.

** Available on SmartShopper and ValueShopper models.
