### Cajun Wetlands Guide Service

## The Perfect Addition to Any New Orleans Visit

Papa Joe's Cajun Wetlands Guide Service is a sure bet for those seeking the thrill of fishing Southeastern Louisiana. Speckled Trout, Redfish, Bass, and Drum are plentiful throughout the area we fish.

Your adventure begins at sunrise when we leave the dock and head for one of the numerous nearby fishing spots. You're likely to see some of the wide variety of wildlife, from waterfowl to alligators, that help make this area one of the most productive fisheries in the country.

Anglers that want to bring their catch home or sample it cooked up fresh at a local restaurant can have their fish cleaned at the end of their trip, but not before Papa Joe snaps a few pictures to include on his website! No matter what the size of your group, Papa Joe's Cajun Wetlands Guide Service has the experience to make your trip a memorable one.

Papa Joe has been fishing the waters of Southeast Louisiana for over 30 years and is licensed by the United States Coast Guard and the State of Louisiana. He is fully insured and knowledgeable about the outdoors and the waters you will be fishing. He will provide all the instruction in fishing techniques necessary to make your trip enjoyable and successful.
