ultimail

Professional quality mailing has never been easier or more efficient.

Perfect for the mid-range office aiming to enhance its image, ultimail offers a state-of-the-art digital operation that readily saves time and money. Convenient and easy to use, ultimail processes a fast 60 to 90 envelopes per minute while offering 300 x 600 dpi print quality. Easy to operate features make sure you pay just the right amount for postage on each individual item. Versatile and silent in operation, ultimail ensures professional, crisp postage printing anywhere in your office.

The ultimail's advanced digital features not only make it easy to keep track of how much is spent on postage, but also provide further cost savings with its ability to add advertisements or logos to the white space on your envelopes. **Y**ou can take advantage of this free advertising to reinforce key messages in the place recipients are most likely to see it. And for added professionalism and safety, ultimail is IBIP compliant, meeting all USPS standards for mail security.

ultimail

Key Advantages

High-Tech Productivity   Designed for image, efficiency and maximum utilization, ultimail processes a fast 60 to 90 envelopes per minute. The 600 dpi print quality ensures a clarity of output that enhances the image of your business.

Customer Friendly   Ergonomically designed to fit in to any office environment. A combination of a soft-touch panel with an easy to understand LCD display virtually eliminates any learning curve for operators.

World-Class Enhancements   Leveraging a state-of-the-art design, ultimail provides an information based indicia program (IBIP) that delivers the highest level of security proposed by the USPS. Up to six customizable advertisements can be programmed to strengthen your company's brand awareness.

Optimal Efficiency   The quiet design allows you to use the unit anywhere in your office without disturbing co-workers. Trend-setting features like automatic dating, auto re-dating, postage correction, automatic label dispenser, and more set the ultimail apart from the competition.
